

## Waste-Disposal Charges (2016-2017)

The mobile containers for Non-Recyclable Waste and Organic-Waste will be supplied by STADT RÖDERMARK free of additional charge.

Non-Recyclable Waste and Organic Waste will be collected alternately on a fortnightly basis.

The mobile Non-Recyclable Waste Containers are issued with a chip for identification. The frequency of collections will be registered. There will be no weighing of contents.

The charges are subdivided into Basic Charges and Service Charges.

All other Waste Management Services remain unchanged.

### Example 1: 1-Family-Household

60 litre Non-Recyclable Waste Container at 17 collections p.a.  
60 litre Organic-Waste Container at 26 collections p.a.

## Waste Management Association

For every independent household, at least the smallest Non-Recyclable Waste Container must be registered. Alternatively two or more households can be accepted as one Waste-Management-Association. In this case the new system supplies you with a mobile 60 litre Non-Recyclable Waste Container (2 family-house: 2 x 60 litre = 120 litre).

### How to order containers

The order forms for the Non-Recyclable Waste Containers of 60, 80, 120, 240 and 1.000 litre, as well as the Organic-Waste-Containers of 60, 80, 120 and 240 litre, are obtainable for homeowner and registered property management at the municipality of STADT RÖDERMARK.

**Containers for Non-Recyclable Waste**
